Odoo Functional Consultant

Description

We are seeking a highly skilled and motivated Odoo Functional Consultant to join our growing team. As an Odoo Functional Consultant, you will play a key role in understanding our clients' business requirements, configuring Odoo to meet those requirements, and providing ongoing support and guidance. The ideal candidate will have a strong background in business analysis, a deep understanding of Odoo modules, and excellent communication skills.

Responsibilities

- **Requirements Gathering:** Collaborate with clients to understand their business processes and requirements. Conduct thorough analysis of client needs to recommend effective Odoo solutions.
- **Configuration and Customization:** Configure Odoo modules to align with client specifications. Customize and extend Odoo functionalities to meet unique business needs.
- **Implementation and Integration:** Lead the implementation of Odoo solutions, ensuring smooth integration with existing systems. Collaborate with technical teams for seamless deployment.
- **User Training and Support:** Provide training to end-users on Odoo functionalities and best practices. Offer ongoing support and troubleshooting assistance.
- **Documentation:** Create detailed functional and technical documentation. Maintain documentation for future reference and training purposes.
- **Collaboration:** Work closely with cross-functional teams, including developers, project managers, and other consultants. Collaborate with clients to ensure project success and client satisfaction.

Qualifications

- 5+ years' experience required for this role.
- Bachelor's degree in business, Information Technology, or a related field.
- Proven experience as an Odoo Functional Consultant or similar role.
- In-depth knowledge of Odoo modules such as Sales, Purchase, Inventory, CRM, Accounting, and others.
- Familiarity with agile project management methodologies.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a team environment.
